The Annual Faculty Assembly provides an opportunity for discussion, planning, and networking among OS&OT Faculty Members. At this year's Annual Faculty Assembly, we are very pleased to have **Judy Friedland** present on the past influence of our department on occupational therapy practice in Canada. This will set the stage for our discussion of where we hope to go in the future. We are also pleased that Liz Mullan will be facilitating our session again this year.

We look forward to your contributions to this vital conversation!
